

BOOST YOUR COACHING EFFECTIVENESS AND PROVE ROI

Research from the **International Coach Federation** tells us that one of the biggest challenges coaches face is delivering credible data to show return on investment. Coaches also commonly struggle with getting clients to commit to specific goals, actions, and new behaviors on their own.

Momentor makes you a 24-7 coach with data to prove your value. Whether you are an executive, life, business, career, personal, wellness or other type of coach, **Momentor** not only makes your job easier, it provides important ROI metrics for both your client and the organization who hires you.

ABOUT MOMENTOR

Successful coaching results from translating insight and new skills into successful behavior change. **Momentor** is a comprehensive online toolkit that helps you and your clients create, implement, and track behavioral goals. Our extensive development resource library helps further facilitate goal achievement. **Momentor** also frequently – and automatically – reminds your clients of their behavior change goals and action items. It provides a much-needed goal evaluation system to provide targeted feedback to your clients about their improvement and to give you a measure of your coaching effectiveness.
